## 45 RUGIENTES MERLOT 2022

This wine was made with grapes from our Paico Vineyard, in a one-hectare plot of this variety. The vines sit on a mostly sandy soil throughout its profile, with a fraction dominated by clay deposits of lacustrine origin. The grapes were harvested on March the 17<sup>th</sup> and the wine was made in stainless steel tanks through spontaneous fermentation and a 17-day maceration. The wine was aged in French oak barrels without toasting for 23 months.
